"Ethical Challenges in studying the health effects of unjust situations"

12:00 p.m. – 1:00 p.m.
219 Brinkhous-Bullitt
UNC School of Medicine

This presentation will examine the ethical challenges that researchers can face in designing and conducting research on structural and social influences on health, such as the segregation of HIV positive inmates within prisons.

David A. Wohl, MD
Associate Professor of Medicine
Division of Infectious Diseases
