"Ethical Issues raised by early clinical HIV 'cure' research: Response from investigators"

12:00 p.m. – 1:00 p.m.
219 Brinkhous-Bullitt
TraCS Conference Rm

Based on a review of clinical HIV 'cure' research consent forms, Dr. Henderson will describe key ethical dilemmas confronting investigators in study design and informed consent. Ms. Kuruc and Dr. Margolis will respond, from the perspectives of a clinical coordinator who recruits 'cure' trial participants and a physician/scientist who runs a network of ‘cure’ researchers and is a leader in field of HIV 'cure' research.
