

Health, Human Rights, and Public Goods

Health care (e.g., surgery) and public health (e.g., vaccinations) contribute to an individual's health in very different ways. This lecture investigates the significance of this difference for a human right to health.

Tuesday, October 4
6:00pm to 7:30pm
Nelson Mandela Auditorium
FedEx Global Education Center

Speaker: Dr. Gopal Sreenivasan

Dr. Gopal Sreenivasan is the Crown University Professor in Ethics at Duke University. His
