**Schwartz Center Rounds is a multi-disciplinary** forum for open discussion of psycho-social aspects of patient care. The primary purpose is to facilitate dialog among health care professionals around challenging care-based issues. The goal of Schwartz is to foster communication, understanding, and knowledge development in the quest to promote compassionate patient care and compassionate understanding among and between clinicians.

**Clinical Ethics Grand Rounds** offers an innovative and interactive forum for engaging with ethical, legal, and policy issues of particular salience to patient care within the hospital. There are no commercial support or conflicts of interest to report.
