

RESEARCH ETHICS GRAND ROUNDS

Digital
Informed Consent
for Pragmatic and
Other Large-scale
Trials

Thursday
May 18
12 - 1 pm
Brinkhous-Bullitt 219
TraCS Conference Room

Chris
Simon

Director of Clinical Research
Ethics Consultation,
University of Iowa

Implications of
digitizing informed
consent from the
perspective of a critical
bioethicist who is also an
NIH-funded developer of
a digital consenting
platform.

sponsored by
the UNC Center for Bioethics
the North Carolina Translational & Clinical Sciences Institute
and the UNC Office of Human Research Ethics
